## Holiday for the Animals

December 13, 2008

It was a beautiful day to gather to remember and make treats for our animal friends for the holidays. Fun was had by all just being outdoors, enjoying the nature museum, making treats for the animals and bread on the fire for ourselves and seeing a fire made with a hand drill by our teen volunteer Zac Bryant. Kids were delighted to meet author and survival teacher, Tom Brown Jr., some of whom had been reading Tom's books since they were very young. We thank all our volunteers for their help in making this event possible and thank everyone who came to be caretakers and give their love and respect to the animals and the natural world.
